

Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Thursday 17 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Cloudy with showers Thursday, but turning fine. Thunderstorms possible Friday.

Today:

A cloudy morning with some patchy rain or showers. Turning drier and brighter from the west for the late morning into the afternoon. Feeling cooler than of late. Maximum temperature 21 deg C (70 deg F).

Tonight:

Staying dry through the evening and overnight with some patchy cloud. Feeling quite chilly under any clear spells through the night. Minimum temperature 9 deg C (48 deg F).

Friday:

Generally a fine morning, but turning cloudy from the south with the odd shower. Showers become more widespread for the afternoon, with risks of some thundery downpours in the east. Maximum temperature 20 deg C (68 deg F).

Outlook for Saturday to Monday:

Sunny spells and the odd light shower on Saturday. Rather cloudy with showers and some longer spells of rain on Sunday. A mix of sunny spells and showers on Monday.
